DOS FATOS

Os autos vieram para análise nesta data, após passar pela análise do pedido de reequilíbrio de preços e ou movimentação de ata pelo pedido de desistência da classificação em primeiro lugar como arrematante do item 163, composto pelos itens **HIDROXIDO FÉRRICO 100MG/5ML SOL. INJETÁVE**, devendo ser passado para a terceira colocada no caso a do certame, a empresa **ALTERMED MEDICAMENTOS E MATERIAIS HOSPITALARES no valor de R$ 12,14286 – MARCA BLAU.**

Salienta que a empresa **CMH – CENTRAL DE MEDICAMENTOS HOSPITALARES - EIRELE, inscrita no CNPJ N° 2322807610001-74** foi a vencedora do processo licitatório 323/2023 ao valor unitário de R$ 9,89. Atendeu a Autorização de Fornecimento 196/2024, e no dia 25 de março de 2024 encaminhou requerimento de reequilíbrio de preço, o valor unitário solicitado foi de R$ 12,19. O valor solicitado está mantendo a margem de lucro de 28% conforme as notas fiscais de compra anexadas pela empresa.

Ao verificar a ata da sessão pública do PE 323/2023, verificou-se que a segunda colocada no certame (empresa INOVAMED) e a terceira colocado (empresa ALTERMED) tinham ofertado valores menores ao solicitado no reequilíbrio pela empresa CMH.

Desta maneira, foi entrado em contato com a segunda e terceira colocadas para verificar interesse em assumir o contrato. A empresa INOVAMED alegou não conseguir assumir o item nesse momento, enquanto que a empresa ALTERMED aceitou assumir o contrato ao valor unitário de R$ 12,14286, valor inferior ao valor solicitado no reequilíbrio.

Diante dos fatos foi feito contato com a empresa CMH CENTRAL MEDICAMENTOS HOSPITALARES, comunicando a proposta da terceira colocada na intenção de verificar se na condição de vencedora do certame, teria condições de reduzir o valor unitário solicitado no reequilíbrio de modo a manter o contrato. Contudo a empresa **CENTRAL MEDICAMENTOS HOSPITALARES - EIRELE, inscrita no CNPJ N° 2322807610001-74**, informou que não tinha como reduzir o valor solicitado a título de reequilíbrio.

Frente a posição **CENTRAL MEDICAMENTOS HOSPITALRES - EIRELE, inscrita no CNPJ N° 2322807610001-74**, que não entendeu ser possível rever o valor solicitado a título de reequilíbrio, considerando ser mais vantajoso para a administração pública Diante do exposto, considerando mais vantajoso economicamente para a administração pública o cancelamento do item 163 composto pelo **medicamento HIDROXIDO FÉRRICO 100MG/5ML SOL. INJETÁVE,** da empresa vencedora do certame, e proceder a movimentação da Ata de Registro de Preços n°010/2023, com o chamamento da terceira colocada, empresa ALTEMED, que aceita assumir o fornecimento do referido item pelo favor do constante na ata, que está abaixo do valor solicitado pela arrematante no seu pedido de reequilíbrio.

NO MÉRITO:

DO PEDIDO DE DESITÊNCIA / CANCELAMENTO DO ITEM 163, COMPOSTO PELOS MEDICAMENTOS HIDROXIDO FÉRRICO 100 MG/ 5ML SOL. INJETÁVE, ATA REGISTRO DE PREÇOS N° 010/2023 - DO PREGÃO ELETRÔNICO N°323/2023:

O presente procedimento tem como objeto o pedido de cancelamento de item 163, composto pelos itens **HIDROXIDO FÉRRICO 100MG/5ML SOL. INJETÁVE**, feito pela Empresa **CENTRAL MEDICAMENTOS HOSPITALRES - EIRELE, inscrita no CNPJ N° 2322807610001-74**, que após ter pedido o reequilíbrio do item 163, ao analisar a ARP N°010/2023, foi constatado que a segunda a terceira colocadas no certame, ofertaram valor unitário menor do que o valor do pedido de reequilíbrio, devendo ser passado para a terceira colocada no caso a do certame, frente o que consultada a requerente acerca da possibilidade de readequar o valor do equilíbrio ao valor ofertado pelas demais classificadas, na intenção de se evitar movimentar a ata n°010/2023 e manter o contrato com a vencedora do certame, que por sua vez não aceitou preferindo desistir do fornecimento e pedir o cancelamento do item.

Diante da desistência e pedido de cancelamento proposto pela empresa **CENTRAL DE MEDICAMENTOS HOSPITALARES EIRELE, inscrita no CNPJ N° 2322807610001-74**, feito o contato com a segunda e terceira colocadas para consultar acerca do interesse em assumir o contrato.

A empresa INOVAMED segunda colocada no certame informou não ter interesse, tendo a empresa ALTERMED aceitado assumir o contrato ao valor unitário de R$ 12,14286, valor inferior ao valor proposto para o reequilíbrio do contrato pela arrematante do certame.

Frente esse contexto o pedido encaminhado para análise e decisão administrativa.

DO FUNDAMENTO JURIDICO:

Considerando o entendimento jurisprudencial e doutrinário vigentes é impossível desistir de uma proposta oriunda do certame licitatório, ainda que lhe tenha sido oferecido oportunidade de rever sua proposta do pedido de reequilíbrio do valor do item, o qual comparado ao valor registrado na ARP do certame, estava maior do que o valor ofertado pelas demais classificadas, tendo permanecido certa do pedido de desistência e cancelamento do item 163 do Pregão Eletrônico 323/2023, não tendo, no caso, motivo que justifique a decisão do licitante arrematante do certame em questão, tal posição deve ser suportada pela empresa desistente, que embora tivesse direito a pedir o reequilíbrio do preço pelo qual arrematou o lote, o valor do reajuste pretendido estava acima do valor ofertado pelas participante que lhe sucederam no certame, sendo que o preço do qual pediu o reequilíbrio a fez vencedora do certame, e sendo detentora da obrigação de horar a proposta feita quando arrematou o item, arcando com sua obrigação de cumprimento do contrato ao não aceitar readequar o valor pedido a título de reequilíbrio ao preço ofertado pela terceira colocada no certame que aceitou substitui-la assumindo o item objeto de desistência, caso o fato de não manter o contrato na proposta do reequilíbrio proposto para evitar ter que movimenta a ata, e que fez da empresa a vencedora do certame a sujeita ser penalizada, consoante prevê o Edital que rege o pregão eletrônico 323/2023.

Isto posto, no caso de não cumprimento do contrato pela entrega dos produtos do item 163, **HIDROXIDO FÉRRICO 100MG/5ML SOL. INJETÁVE**, arrematado no pregão eletrônico 323/2023, enseja na aplicação penalidades previstas no artigo 86 da Lei n°8.666/93 que rege o certame em questão, sem a necessidade de comprovação de prejuízos suportados pela Administração Pública.

Segundo o artigo 41 de lei 8.666/93 a administração pública não pode descumprir as normas e as condições do edital ao qual se encontra estritamente vinculado o processo licitatório vejamos:

Art. 41. *A Administração não pode descumprir as normas e condições do edital, ao qual se acha estritamente vinculada*.

Isto posto, sob o olhar da legislação e a vinculação ao Edital, significa que tanto a administração quanto os licitantes estão adstritos aos termos do instrumento convocatório da licitação, tanto no

tocante ao procedimento adotado, quanto a documentação, as propostas apresentadas, ao julgamento e ao contrato.

A luz do ensinamento de Fernanda Marinela - Curso de Direito Administrativo que ensina:

"…. O princípio da vinculação ao instrumento convocatório leva à assertiva de que o edital é a lei interna da licitação: Como princípio específico da licitação, tem-se a vinculação ao instrumento convocatório. O instrumento, em regra, é o edital que deve definir tudo que é importante para o certame, não podendo o Administrador exigir nem mais nem menos do que está previsto nele. Por essa razão, é que a doutrina diz que o edital é lei interna da licitação, ficando a ele estritamente vinculada, conforme previsto no art. 41 da lei. "

Frente o exposto se estabelece o entendimento que a Administração Pública, durante o processo de licitação, não podendo esquecer ou estabelecer regras diversa daquelas por ela mesma estabelecidas no instrumento convocatório, ou seja no **EDITAL DO PREGÃO ELETRÔNICO 323/2023**, elaborado para aquele fim, e, dado a conhecer aos interessados no certame, de forma a garantir segurança e estabilidade às relações jurídicas decorrentes do processo de licitação, como também para assegurar o tratamento isonômico entre os licitantes, sendo necessário par o caso observar estritamente as disposições constantes do edital.

A eficácia do princípio da vinculação ao Edital construído no momento que a administração pública passa a responder aos pedidos de esclarecimento das impugnações propostas pelos participantes, esgotadas as dúvidas levantadas, o edital se torna eficaz para fazer lei entre as partes. Como bem ensina a doutrina vigente: "***A vinculação ao edital significa que a Administração e os licitantes ficam sempre adstritos aos termos do pedido ou do permitido no instrumento convocatório da licitação, quer quanto ao procedimento, quer quanto à documentação, às propostas, ao julgamento e ao contrato".***

Registre-se que o pregão eletrônico 323/2023, prevê as sanções e penalidades que podem ser aplicadas ao licitante que não cumprir e honrar com sua proposta.

DA CONCLUSÃO:

Isto posto, a empresa **CENTRAL MEDICAMENTOS HOSPITALRES - EIRELE, inscrita no CNPJ N° 2322807610001-74,** tendo **optado por encaminhar** pedido de desistência e ou cancelamento do item 163, após ter assumido compromisso com a municipalidade ao vencer o certame do pregão eletrônico n° 323/23 pela proposta apresentada, embora a administração através da secretaria de gestão do contrato visando manter o compromisso assumido lhe tivesse oportunizado ajustar o valor do pedido de reequilíbrio feito, ao valor ofertado no certame pela terceira colocada, sob a alegação de não lhe ser possível fornecer o item pelo valor contido na ARP n°010/2023, a sua insistência em pedir o cancelamento do item impondo a movimentação da referida ata, não justifica a falta de cumprimento do compromisso assumido ao vencer o certame licitatório em questão, incorrendo assim nas sanções previstas no edital que rege o procedimento licitatório, combinado com o previsto na legislação pertinente.

Da análise dos documentos e especificações do Pregão 323/23, conclui-se que, embora, para a empresa o certame vencido tenha se tornado inexequível tal entendimento não se constitui motivo que justifique ou fundamente o pedido de cancelamento pretendido, e, liberação da empresa do compromisso assumido, não assiste razão à solicitante, vez que concordou expressamente e aceitou participar do certame cujo edital prevê as sanções pelo não cumprimento e inexecução do compromisso assumido com a municipalidade, causando atraso e até incorrendo na falta do material objeto dos itens licitados, como informado por pela secretaria de saúde do município em e-mail enviado a essa assessoria de licitações e contratos.

Aplicado ao caso em questão o entendimento doutrinário firmado na vigência da lei 8.666/93 que rege o pregão 323/2023, o qual entende que na modalidade pregão, a necessidade de manter o preço do licitante vencedor existirá somente no momento em que o contrato ou compromisso for celebrado, ou seja, em ocorrendo a assinatura do contrato, mas a negativa em iniciar a execução, por força do art. 64, § 2º ou na hipótese de dispensa, quando iniciada a execução sem a devida conclusão nos termos do art. 24, inc. XI., se o contrato ainda não tiver sido celebrado restaria obrigado a manter sua proposta, desde que dentro de sua validade, no valor ofertado pelo seu último lance conforme disciplina legal da Lei 10.520/02 art. 4º, inc. XXIII; Decreto 5450/05 art. 27, § 3º; e Decreto 3555/00 art. 11, inc. XXII, situação agravada pela negativa a oportunidade que lhe foi ofertada pela administração de fornecer o item ajustando o valor pedido a título de reequilíbrio ao valor contido na ARP do certame como ofertado pela terceira colocada que no caso de desistência da vencedora aceita assumir o contrato.

Tendo a Empresa **CENTRAL MEDICAMENTOS HOSPITALRES EIRELE, inscrita no CNPJ N° 2322807610001-74,** tendo insistido e requerido o cancelamento do compromisso assumido com a municipalidade e, frente a consulta e o chamamento das demais classificadas resultado no aceite da empresa ALTERMED aceitado assumir o contrato ao valor unitário de R$ 12,14286, valor inferior ao valor proposto para o reequilíbrio do contrato pela arrematante do certame, se vislumbra, que a desistência e o cancelamento requerido termina por não incorrer em prejuízo aos cofres pública, e, a bem da preservação e prosseguimento do processo licitatórios, cujo objeto é a aquisição de produtos de extrema necessidade e urgência para atendimento a rede de saúde pública municipal, a Secretaria Municipal de Governo por sua diretoria de contratos e Licitações decide pela **Aceitação** do pedido de **DESISTÊNCIA / CANCELAMENTO DO ITEM 163 DA ARP 010/2023,** adjudicado pela empresa requerente.

Vendo a empresa desistente como um participante assídua e regular nos certames licitatórios promovidos pelo Município de Itajaí/SC, inexistindo qualquer fato ou questão anterior que desabone seu conceito frente municipalidade, com base nos antecedentes da empresa e sua relação com a municipalidade no tocante ao trato das licitação mantidas com o município de Itajaí/SC, na área da saúde, entende por aplicar a Empresa **CENTRAL MEDICAMENTOS HOSPITALRES,** as penalidades de **ADVERTENCIAS previstas nos itens 14.1, 14.4 inciso I, 14.7 inciso I, do Edital do Pregão Eletrônico 323/2023.**

Considerado o enunciado do item 14.9 do mesmo Edital que rege o certame em questão, ante o bom relacionamento mantido com a Empresa que tem participado dos certames licitatórios e cumprido os compromissos assumidos, sendo o caso em questão uma exceção, a municipalidade valendo-se do previsto no item 14.9 do Edital, deixa de lhe aplicar a penalidade prevista no Edital

item 14.8 letras "d", "e", "f" **ficando advertida que em caso de reincidência não terá como fugir a aplicação da aludida penalidade.**

Por todo o exposto e pelas razões e fundamentos legais que regem o presente fica aplicado a Empresa **CENTRAL MEDICAMENTOS HOSPITALRES - EIRELE, inscrita no CNPJ N° 2322807610001-74** a sanção de **ADVERTENCIA**, para que em participações futuras, antes de qualquer atitude dessa natureza, observe as normas do edital que regulamenta o certame do qual é participante.

Dê-se ciência da recomendação e sugestão a empresa solicitante e Secretaria de Saúde do Município entidade gestora.

Restituam-se os autos ao pregoeiro para alterações e continuidade do processo licitatório, com o chamamento das demais classificadas, de forma que fique assegurado a Secretaria de Saúde a manutenção do estoque dos itens 163, do Pregão 323/2023, que segundo informado em C.I, está esgotado, colocando em risco o atendimento da rede de saúde do município.
